

English classes to a vocational level!

Childcare Funding Available for Attended Study Hours.

Training hours have been uncapped and you can now learn English to a vocational level.

LEARNING ENGLISH CAN HELP YOU:

- get a job
- improve your English, Maths or computer skills
- meet new friends
- live and get to know your local community
- explore career options
- help your children with their school work
- talk to other people in your neighbourhood
- prepare to start other training courses
- and much more ...

Study can be:

- Full time
- Part-time
- Face to face
- Flexible start time and hours

Train now to a
vocational level, up
to Certificate 3 level.
